

**CIVIL RIGHTS MOVEMENT (SANCTIONED
INTEGRATION MOVEMENT) = ECONOMIC COLLAPSE=
FAMILY DESTRUCTION**

This section does contain some history, yet it is not designed to educate the reader on the complete history of the Civil Rights Movement, but its focus is to illustrate how this movement helped to destroy the economic stability and family structure of the Hebrew Y'israelite race. This section does contain some historical relevance.

“Now therefore make confession unto YHWH Elohim (LORD God) of your fathers, and do his pleasure: and separate yourselves from the people of the land.” Ezra 10:11

For you didst separate them (Israel) from among all the people of the earth, to be your inheritance, as you spoke by the hand of Moses your servant, when you brought our fathers out of Egypt, O YHWH Elohim (LORD God).” 1 Kings 8:53

When one look at the results of the Civil Rights Movement, one will see the evil that befell the true Jews (African Americans) because of integration. According to the Bible, the Israelites were commanded to stay segregated from the nations, but the leaders of the true Jews wanted to integrate. Separate but equal was not good enough for them. **“For the leaders of this people cause them to err; and they that are led of them are destroyed. (Isaiah 9:16)”** So, the

African Americans marched, protested, boycotted and rioted; thus, striving against their Elohim (God) and not against the white man. For it is written, **“And seek the peace of the city where I have caused you to be carried away captives, and pray unto YHWH (LORD) for it: for in the peace thereof shall you have peace. For thus saith the YHWH (LORD) of hosts, the Elohim (God) of Israel; Let not your prophets and your diviners, that be in the midst of you, deceive you, neither hearken to your dreams which you cause to be dreamed. For they prophesy falsely unto you in my name: I have not sent them, saith the YHWH (LORD).”** (Jeremiah 29:7-9) Which goes back to this, **“and you shall not prosper in your ways: and you shall be only oppressed and spoiled evermore, and no man shall save thee. The stranger that is within thee shall get up above thee very high; and you shall come down very low. He shall lend to thee, and you shall not lend to him: he shall be the head, and you shall be the tail. Moreover all these curses shall come upon thee, and shall pursue thee, and overtake thee, till you be destroyed; because you hearkened not unto the voice of the YHWH (LORD) your Elohim (God), to keep his commandments and his statutes which he commanded thee.”** (Deuteronomy 28:29, 43-45) When one considers the scriptures that are written above, one can see that the White man is not the cause of the African American’s destruction, but the Israelites problems are coming from their forefather’s disobedience to their Elohim (GOD) YHWH. The Civil Rights Movement gave an illusion of civil liberties to the African American people. This can easily be proved by examining the results from that time period. What are the results of the movement? The breaking of economic stability in the African American communities broke the family structure. Usually, no one talks about these results because this would mean that the people fought and marched for nothing. In actuality, the people did fight and march for nothing because this movement put the true Jews in violation of YHWH’s law. As a reminder, these situations were allowed by YHWH their Elohim and were not caused by the so-called White man, but these situations were caused by the Israelite’s continued disobedience.

Before the Civil Rights Movement, African Americans did not go outside of their communities for anything because there really was no need. Black communities were unified and their communities grew because everyone supported one another. The so-called Negroes (Israelites) needed one another, economically, socially, and spiritually. So, what happened?

**“And the children of Israel were fruitful, and increased abundantly, and multiplied, and waxed exceeding mighty; and the land was filled with them. Now there arose up a new king, and he said unto his people, Behold, the people of the children of Israel are more and mightier than we: Come on, let us deal wisely with them; lest they multiply, and it come to pass, that, when there falls out any war, they join also unto our enemies, and fight against us, and so get them up out of the land.”
(Exodus 1:7-10)**

Thorough research proves that Black communities were unified before the Civil Rights Movement and this unity gave them the power to achieve anything without the Gentiles' (so-called White man, or Europeans) insight, help, or revenue. The Gentiles did not totally know what was going on in the Black community and so the Civil Rights Movement was initiated. As a result of this, the Gentiles found a way to break up the unity of the African American community, which weakened their collective power, and subsequently broke up their economic stability. Black (Israelite) communities began to decline in value economically after the Civil Rights Movement. The so-called Civil Rights Movement eventually turned into a transfer of wealth, economics, and culture. Israelites began to think and live as the White man (Gentiles) do in America. Consequently, the remainder of the black culture was lost. As a result of this, Black businesses began to close down while at the same time businesses of the other nations opened up everywhere in Black communities. White businessmen began to buy into the Black communities. The White community continued to grow and the Black communities declined in every major way possible. The economic revenue of the Black community began to be transferred out of their neighborhoods because White America had bought their way in and reinvested the money into their own neighborhoods. At the same time, African Americans began to spend their monies outside of their communities, therefore, giving their economic wealth to the other nations. Instead of them continuing to build up their resources, they began to lessen their own resources. Israelites went from being an independent nation unto being dependent on the US government. Maybe this is why the African Americans are the world's number one consumers of perishable goods because they no longer manufacture or produce anything. Truly, all nations, even the Mexicans, are high above the Israelites and the African Americans are the least of all the nations.

As mentioned previously, these events took the so-called Black race from an independent people unto a dependent people. Instead of them

continuing to help one another, they began to seek help from the American Government. The American Government dealt with the true Jews in a Willie Lynch kind of way. Willie Lynch states, **"You must use the FEMALE vs. the MALE, And the MALE vs. the FEMALE."** So, the government offered assistance to the Black community, but there were stipulations. For a Black family to receive help from the federal government, a man could not be living in the house. This divided many families. As Black males were targeted and were deliberately separated from their families during slavery, Black males were targeted and deliberately separated from their families after the Civil Rights Movement. This time it was done deceitfully. The woman was put in a position to choose either her husband or children. As a result of this and other intentional policies, there are less husbands and more fatherless children in the Black communities. The American Government would not allow an African American family to receive federal benefits like food stamps or public housing programs like Section 8 if there was a man living in the house with his wife and children. Furthermore, the Black woman began to get the same opportunities as the Black man financially which drove a wedge between the two. Instead of them continuing to work together as a family, the Black man and woman began to compete against one another and this was by design. So, the Black woman benefited from government programs more than the Black man. As a result of this, the relationship between Israelite males and females could not be any worse than it is today. Today, men and women are struggling over who's stronger and wiser and who should or shouldn't lead.

Now because of this, our family structures are being destroyed and 72% of our households have become one-parent families. Usually, single women head the African American household. As a result of this, the black woman is left alone to lead the family. Yet, a woman cannot raise a man. So being in a frozen independent state, she teaches the young man to mentally think as her, but physically you have to be a man. Also, she deals with her son as if he is her husband. This causes the son to develop more feminine traits, so he begins to naturally cater to what a woman wants and not what a woman needs. This is the beginning process of a man being trained to submit unto a woman. **"As for my people, children are their oppressors, and women rule over them." (Isaiah 3:12)** But this is not the woman's fault. It is the man's fault because they are the ones that broke YHWH's commandments which ultimately put their women and children in this position.

Unlike the male offspring, the mother teaches the young woman to be independent. She teaches her daughter to be more like her, mentally strong, but physically weak. Because the young woman's father is not around, she does not understand the role a man should have in the relationship. According to the Bible, a woman's desire is to her husband. **"Unto the woman he said, your desire shall be to your husband, and he shall rule over thee. (Genesis 3:16)"** But this is not the case in America! One must understand that America is not a country whose god is a man, but their goddess is a woman called Liberty, yet the only liberty she has given to the woman is to be free from righteousness. But, on the other hand, Galatians 5:24 states, **"Husbands, love your wives, even as Christ also loved the church, and gave himself for it."** How many men love their wives enough for them to give their lives? Not many! As a matter of fact, there are not many marriages anymore. Now, people have babies and stay together until the one gets tired of the other, especially among African Americans. This indoctrination and mis-education has filtered down into their entertainment. For example, T.V shows like Living Single, Girlfriends, The Game, and I love Ray-J and New York ; music like Destiny's Child's "Say My Name", Beyonce's, "If I were a Boy", and Ne-Yo's, "Miss Independent", all teach our sisters to further degrade themselves. It also sends a subliminal message to our women that they should have complete control in the relationship and that men should submit themselves unto them. Once again, this is prophecy! Even though the Civil Rights/Integration Movement contributed to this happening, the white man cannot be blamed because Jeremiah 31:22 states, **"YHWH (the LORD) hath created a new thing in the earth; a woman shall compass a man."**

THE BLESSINGS

In conclusion, even though the Bible spoke of all these troubles befalling the Children of Y'israel in the latter days, it also states, "But if from there you shall seek YHWH (LORD) your Elohim (God), you shall find him, if you seek him with all your heart and with all your soul. When you art in tribulation, and all these things are come upon thee, even in the latter days, if you turn to the YHWH your God, and shall be obedient unto his voice; For the YHWH your Elohim (God) is a merciful Elohim (God); he will not forsake thee, neither destroy thee, nor forget

**the covenant of your fathers which he swore unto them.”
(Deuteronomy 4:29-31)**

So, there is hope! According to Deuteronomy 28: 1-14, “And it shall come to pass, if you shall hearken diligently unto the voice of YHWH your God, to observe and to do all his commandments which I command thee this day, that YHWH your God will set thee on high above all nations of the earth: And all these blessings shall come on thee, and overtake thee, if you shall hearken unto the voice of YHWH your God. Blessed shall you be in the city, and blessed shall you be in the field. Blessed shall be the fruit of your body, and the fruit of your ground, and the fruit of your cattle, the increase of your kine, and the flocks of your sheep. Blessed shall be your basket and your store. Blessed shall you be when you come in, and blessed shall you be when you go out. YHWH shall cause your enemies that rise up against thee to be smitten before your face: they shall come out against thee one way, and flee before thee seven ways. YHWH shall command the blessing upon thee in your storehouses, and in all that you set your hand unto; and he shall bless thee in the land which YHWH your God gives you. YHWH shall establish thee an holy people unto himself, as he hath sworn unto thee, if you shall keep the commandments of YHWH your God, and walk in his ways. And all people of the earth shall see that you art called by the name of YHWH; and they shall be afraid of thee. And YHWH shall make thee plenteous in goods, in the fruit of your body, and in the fruit of your cattle, and in the fruit of your ground, in the land which YHWH swore unto your fathers to give thee. YHWH shall open unto thee his good treasure, the heaven to give the rain unto your land in his season, and to bless all the work of your hand: and you shall lend unto many nations, and you shall not borrow. And YHWH shall make thee the head, and not the tail; and you shall be above only, and you shall not be beneath; if you hearken unto the commandments of YHWH your God, which I command thee this day, to observe and to do them: And you shall not go aside from any of the words which I command thee this day, to the right hand, or to the left, to go after other gods to serve them.

When will these things take place for the so-called African American race? They will take place at the return of Yahshua the Christ. So, what must an individual do at this time to receive these things? **“Repent, and be baptized every one of you in the name**

of Yahshua the Christ for the remission of sins, and you shall receive the gift of the Holy Ghost. For the promise is unto you, and to your children, and to all that are afar off, even as many as YHWH our God shall call. (Acts 2:38-39)" The sufferings of the Israelites are only for a period of time, but the blessings will be for an eternity! Will you choose eternal life or eternal damnation? Repent and be baptized in the name of Yahshua from your evil ways and learn to allow the Spirit of Truth to purge you, therefore, leading you into the kingdom.
